

Leased Equipment Toll Solution (L.E.T.S.)

Seamless tracking and billing for all toll to your customers

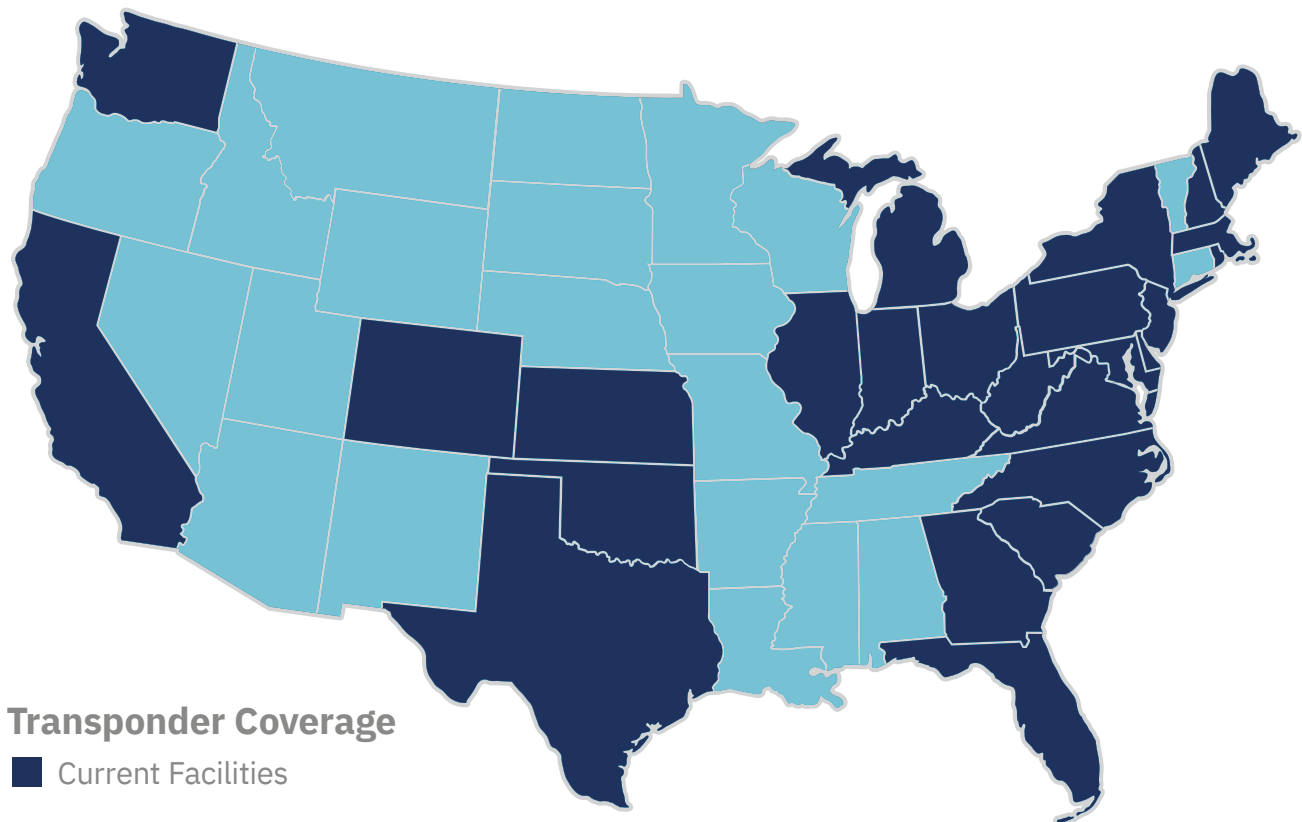

Bestpass is in the business of saving its customers time and money on toll, both on the road and in the back office. To date, we've saved customers more than \$150 million. The Bestpass service allows commercial vehicles to move about the country without the need to manage multiple tolling accounts, and new functionality for leased equipment providers facilitates seamless accounting from account to account.

The Best Coverage

More than 40 tolling authorities across the country on just one invoice

Benefits

- We become your back office: toll management and leased toll rebill solution for leased providers
- Complete control over the equipment transfer process
- Seamless tracking and toll management
- Simple, single payment for all toll usage
- Web portal with on-demand reporting
- Lessee can seamlessly transfer leased equipment to their existing Bestpass account for the duration of the lease
- Accurate toll Rebilling based on lease duration
- Minimize costly violations, toll by plate, additional fees, and duplicate tolls

How it Works

“We used to spend 40 hours a month tracking tolls, but since we’ve signed up for Bestpass, we only need to spend an hour each month. Bestpass helps us operate more efficiently by streamlining all of our toll-related activity.”

– Justin Barnhart, Branch Manager, PACCAR Leasing

If Your Customer is Also a Bestpass Customer

If the lessee is also a Bestpass customer, they can transfer your leased equipment to their Bestpass account for the duration of the lease, thereby retaining the full benefits of their Bestpass toll management service while continuing to provide value for you.

Uploading Rebilling Agreements

You can also upload rebill agreement data (sometimes called a rental extract) when uploading vehicles or independently by uploading to the 24/7 customer web portal

Required Fields for Rebilling Agreement Upload

- Unit
- Agreement Number
- Customer DOT Number
- Customer Name
- Checkout Date

Customizable Options for Leased Equipment Providers

- Include your company’s logo when generating Rebilling invoices
- Set your own toll handling or statement fee to generate revenue or recoup back office expenses
- Select a check-in date at any time, for any piece of equipment, for flexible invoicing options
