

The Best Solution

Coast-to-Coast, Single Statement Toll Management and Savings

Bestpass is in the business of saving trucking companies time and money. To date, we've saved our clients more than \$135 million. Bestpass has built relationships with toll authorities that allow truckers to seamlessly move about the country without the need to manage multiple tolling accounts.

Covering 100% of major U.S. toll roads, the Bestpass service is a truly national solution that includes more than 40 tolling authorities.

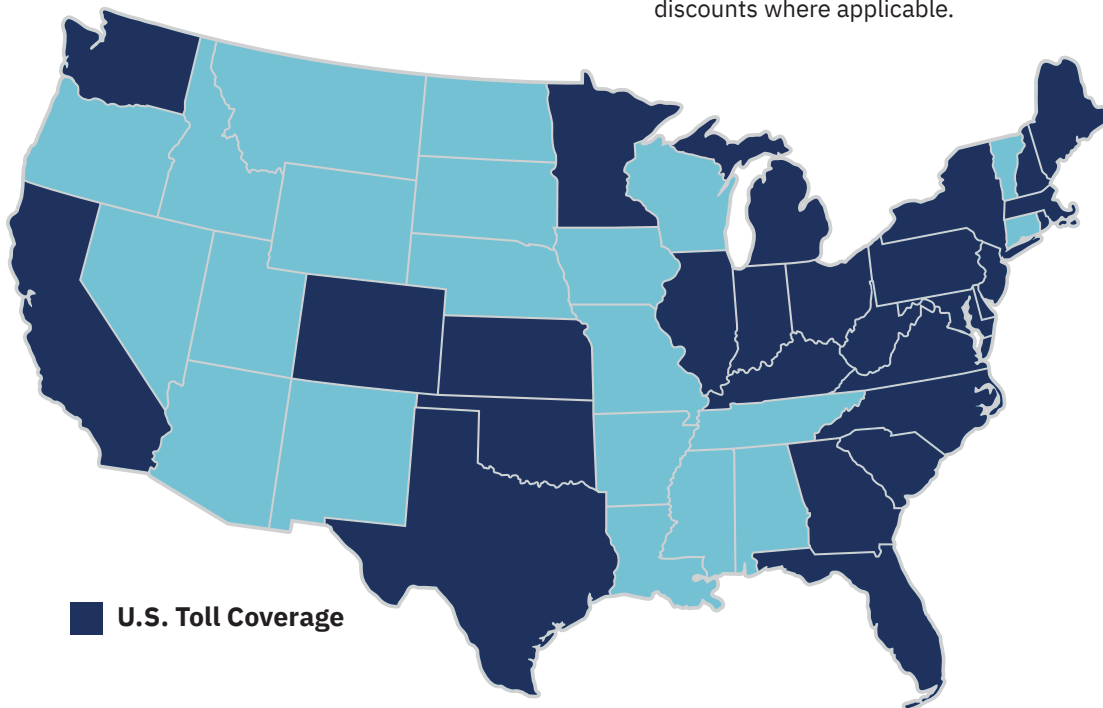

- Tolling simplified with coast-to-coast coverage
- Simple account management with one monthly statement
- Superior customer support

The Best Coverage

Over 40 tolling authorities and 100% of major U.S. toll roads

Bestpass Compatibility

Bestpass customers get immediate savings on toll roads, including additional and volume discounts where applicable.

How Do I Find Out More?

To learn more about simplifying your toll while saving time and money, visit bestpass.com or call (888) 410-9696.

Benefits

Bestpass provides truckers and transportation companies with a complete solution to manage toll-related activities—and to save time and money.

Trucking & Fleet Data Management

- Streamlined and flexible vehicle and license plate updates, including online upload of data and files, from entire vehicle lists to cab cards to truck photos
- Targeted data search across all toll transactions, as well as advanced filtering options, including transponder, date and time, facility, vehicle and cost center
- Enhanced deployment throughout fleet with a customized distribution plan and each transponder shipped with appropriate labels and cases
- Powerful notification platform, including exclusion zones
- Account-at-a-glance dashboard

Enhanced Toll Discounts

Bestpass customers get immediate savings on toll roads, including additional and volume discounts on:

- New York State Thruway
- Pennsylvania Turnpike
- New Jersey Turnpike
- New York City bridges and tunnels
- Maryland Transportation Authority (highways, bridges and tunnels)
- Colorado E470
- Kansas, Florida, Oklahoma and Texas toll roads

Powerful Account Tools

- All-inclusive monthly statement of all toll fees, normalized to the calendar month
- More than 40 tolling authorities
- Toll reconciliation and validation
- Simple, single payment for all toll usage
- Customer web portal with on-demand reporting
- Single point of contact for customer service

Comprehensive Onboarding Process

- Customized implementation schedule based on your fleet and locations
- Tailored deployment plan for your business
- Project management oversight and project status reporting
- Assistance with transition from current tolling agencies to Bestpass platform
- One central point of contact throughout your entire implementation
- Smooth transition from Implementation to Customer Service
