

Bestpass Rebilling

Coast-to-Coast, Single Statement Toll Management and Savings

Bestpass is in the business of saving its customers time and money on toll, both on the road and in the back office. To date, we've saved customers more than \$150 million.

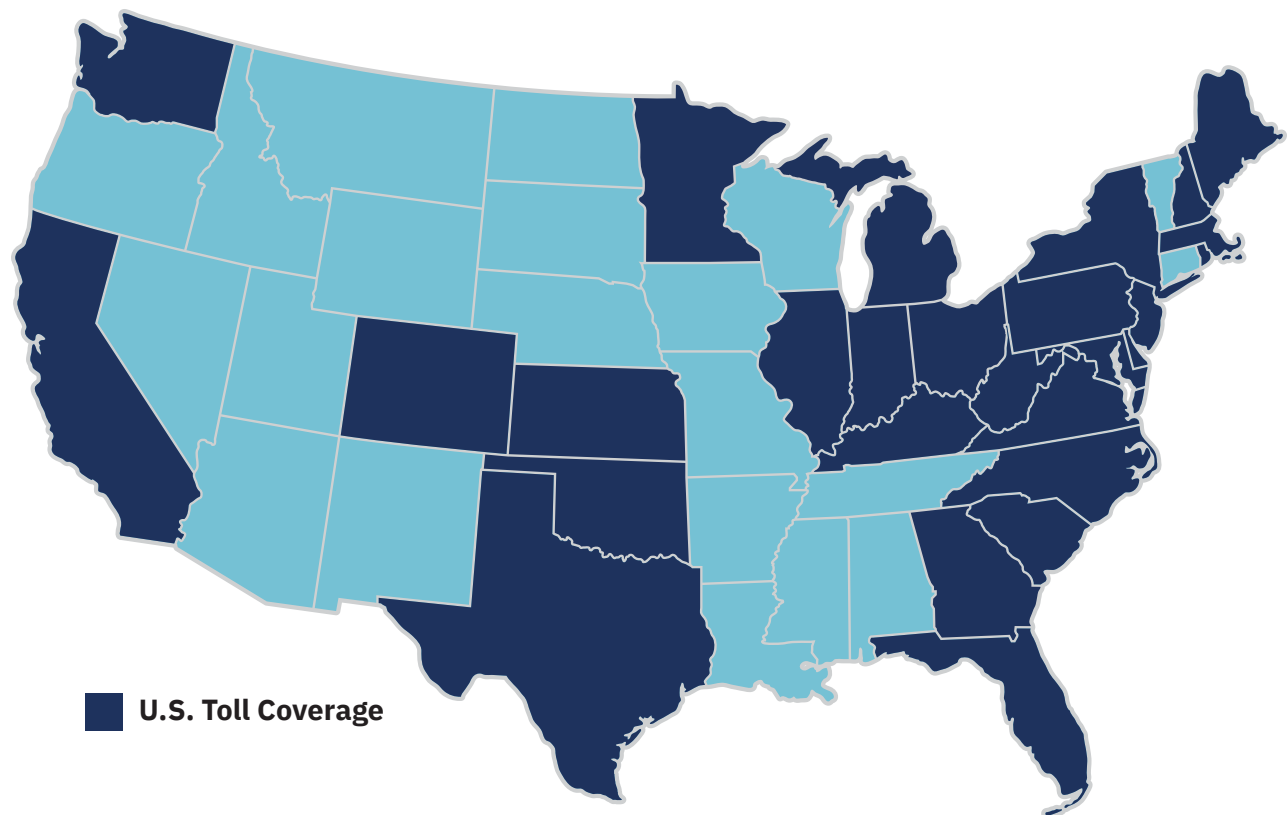

Our Rebilling service provides customers with the ability to recoup toll costs by generating toll statements to their customers, owner-operators, contractors, business units, etc. Statements can easily be generated via the Bestpass customer web portal and customized with your company's logo.

The Best Coverage

Over 40 tolling authorities and
100% of major U.S. toll roads

Benefits

- Flexible rebilling within any period of time
- Ability to add toll processing fee to rebilling statement
- Key component of comprehensive Leased Equipment Toll Solution (LETS)
- Seamless and accurate toll processing
- Shift toll cost to responsible entities
- Web portal with on-demand reporting
- Minimize back office time; maximize impact on bottom line by creating new revenue stream
- Minimize costly violations, toll by plate, additional fees, and duplicate tolls
- Improve driver recruitment and retention by offering comprehensive toll management
- Manage and recoup toll expenses for owner-operators and independent contractors

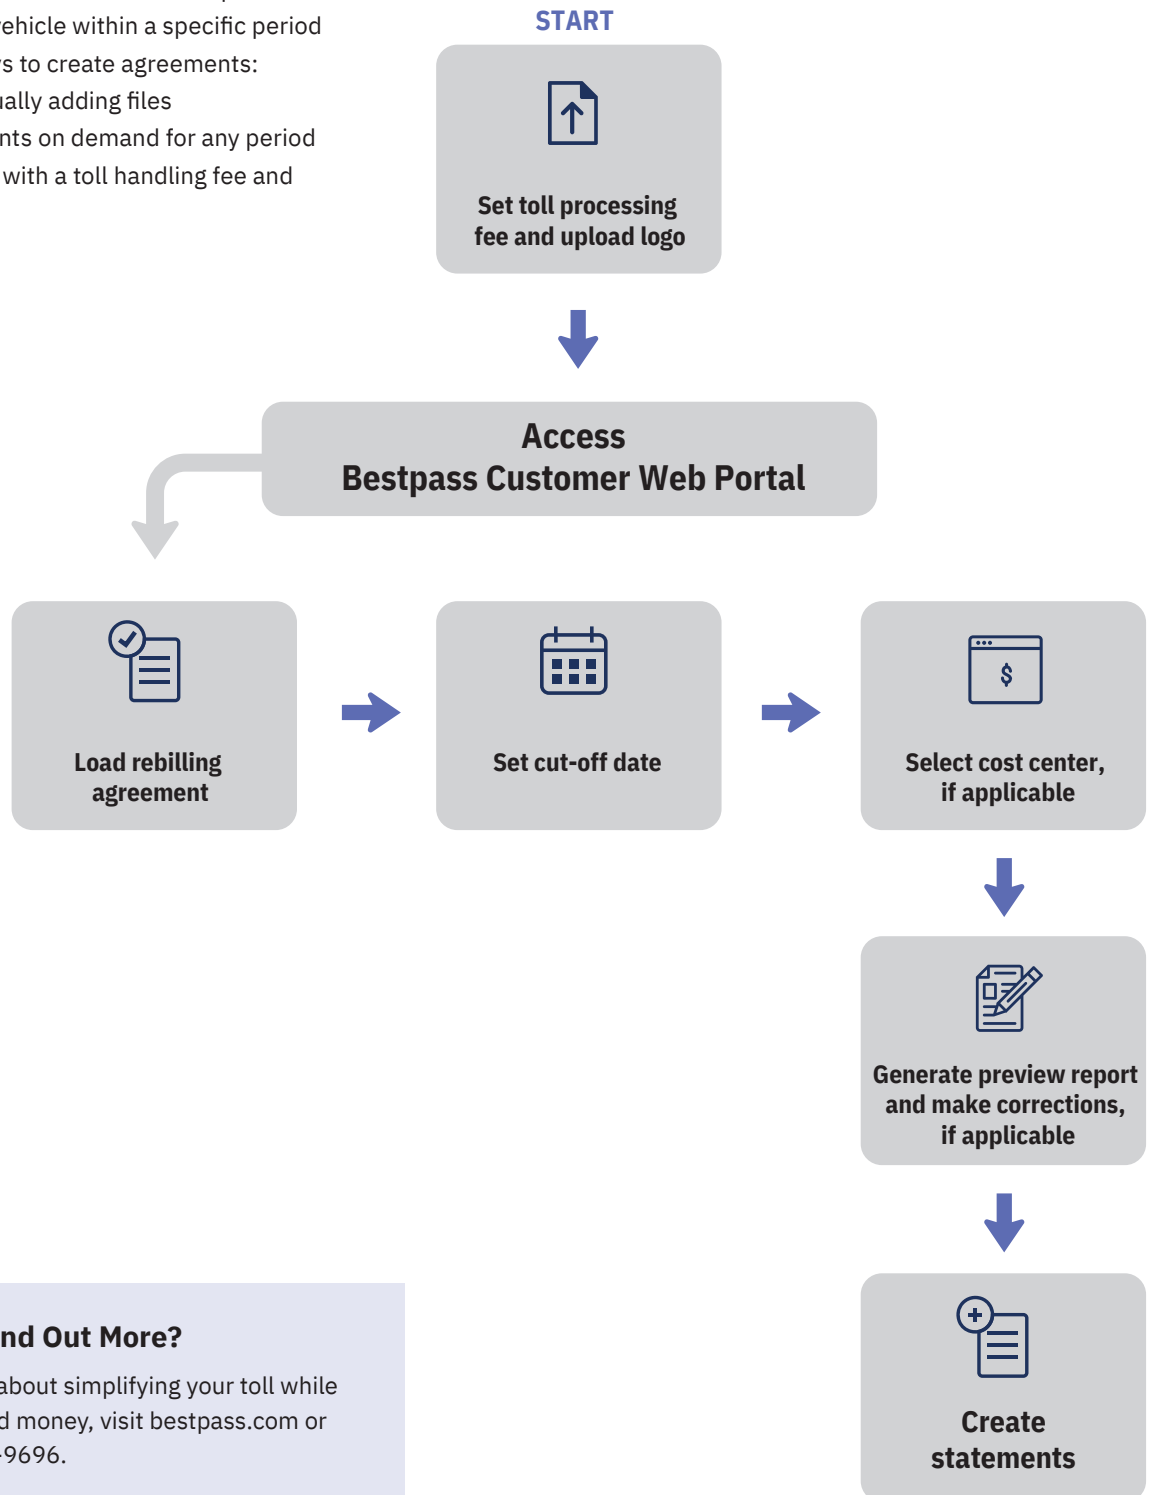

How it Works

Bestpass Rebilling

- To generate a Rebilling statement, accurate and up-to-date agreements must be added so that toll can be correctly assigned
- Rebilling agreements define who is responsible for toll incurred by a vehicle within a specific period
- There are two ways to create agreements: uploading or manually adding files
- Generate statements on demand for any period of time, as well as with a toll handling fee and company logo
