Bestpass Rebilling

Coast-to-Coast, Single Statement Toll Management and Savings

Bestpass is in the business of saving its customers time and money on toll, both on the road and in the back office. To date, we've saved customers more than $130 million.

Our Rebilling Service provides customers with the ability to recoup toll costs by generating toll statements to their customers, contractors, business units, etc. Statements can easily be generated via the Bestpass customer web portal and customized with your brand's logo.

Benefits

- Flexible rebilling within any period of time
- Ability to add toll processing fee to rebilling statement
- Seamless and accurate toll processing
- Shift toll cost to responsible entities
- Web portal with on-demand reporting
- Minimize back office time; maximize impact on bottom line by creating new revenue stream
- No costly plate tolls, fees or duplicate tolls
- Improve driver recruitment and retention by offering comprehensive toll management

The Best Coverage

Over 40 tolling authorities and 100% of major U.S. toll roads
